Travel Brochure for the Setting of the Story **DUE:** \_\_\_\_\_

Imagine that you work for a travel agency and you have been asked to design a brochure to advertise a place. Create a 3 fold travel brochure about the setting of your book, complete ALL 6 sides of the brochure. (If your book has more than one setting, choose the most unusual and interesting one.)

**FRONT COVER:** Must catch the eye of the reader, use colors, or phrases like “Come to (setting name)” or “The best (setting name) you will ever visit”.

**INSIDE 3 PANELS:** Questions to guide your inside panel designs:

- Do you think tourists would enjoy visiting the setting of the book you chose? WHY or WHY not?
- What attractions would someone find in this place?
- What could someone do for entertainment?
- What could someone see and learn about?

(Use hyperboles, descriptive language and neat handwriting, pretend you’re a salesman/woman!)

**BACK 2 PANELS:** Describe your setting and important features of the book!
